ORDER

THIS MATTER comes before the Court on Amigos Bravos et al.'s Motion to Supplement

the Administrative Record (Doc. 105) in Case No. 6:09-cv-00037-RB-LFG (Climate Change

Action). Amigos Bravos seek to supplement the administrative record to support their claim that,

in approving two quarterly oil and gas lease sales, Federal Defendants did not properly account for

oil and gas waste inefficiencies which contribute to climate change and thus violated federal law.

(Doc. 105 at 2.) The Court having concluded that Plaintiffs lack standing in this case and having

dismissed all claims raised in Plaintiffs' First Amended Complaint (Doc. 114), the Court hereby

DENIES Amigos Bravos' Motion to Supplement the Administrative Record (Doc. 105) as **MOOT**.
